SIR,

Subject : Renewal of the sanction to the estimate for Rs.37,000/- for laying underground drainage works in Niranjanraje Urs Garden layout - G.O.No.L.7852-53/ITB.8-54-14 dated 28-9-1954.

I write to state that Government were pleased to accord sanction to an estimate for Rs.37,000/- for laying underground drainage lines in N.R.Urs Gardens, Mysore, in their order No.L.3638-41/ITB.159-48-2 dated 6-10-1948. On a further report of this office, made on the observations of the Controller, State Accounts Department, as per Para 40 of the Mysore Public Works Account Code, that the currency of the estimate lapsed and that sanction of Government is necessary to renew the currency, Government in their order No.L.7852-53/I.T.B. 8-54-14 dated 28-9-1954 were pleased to renew the currency of the estimate till the end of 1954-55. As such the estimate was current till 31-3-1955.

In this connection, I wish to bring to the kind notice of Govemment, some practical difficulties met with in the execution of the work. The nature of the soil met with in the execution of the U.G.line is very hard and rocky. Secondly, the main lines have to be taken through private survey lands and the owners thereof are obstructing for the same They have to be convinced that there will be no damage to their lands since the lines are taken sufficiently deep in the ground. Thus there could not be much progress in this work and so it could not be completed within the stipulated time. Every effort is being made to push through the work as expeditiously as possible.

The Controller, State Accounts Department, in his letter No.

P.T.O.

2

No.9075/CSA. dated 22/27-10-1955 (an extract of which is herewith enclosed for kind information of Government) has intimated that no outlay can be incurred during 1955-56 without further renewal of sanction to the above estimate

As the works are under progress and the bills have to be paid, I request you to be so good as to obtain and communicate renewal of sanction to the currency of the estimate till the works are completed and the completion report sent to the Audit office.

As the bills have to be paid and as the contractors are pressing for payment, I solicit the favour of very early orders in this behalf.

Yours faithfully,

S.Linganna 4/11
